

W Mobile App Installation and Usage Guide

Mobile App Download and Install

To download and install the W Mobile App on an Android device, go to the following hyperlink:
<https://play.google.com/store/apps/details?id=com.kryptosmobile.MUW&hl=en>

To install the W Mobile App on an Apple mobile device, go to the following hyperlink:
<https://itunes.apple.com/us/app/w-mobile/id1175561500?ls=1&mt=8>

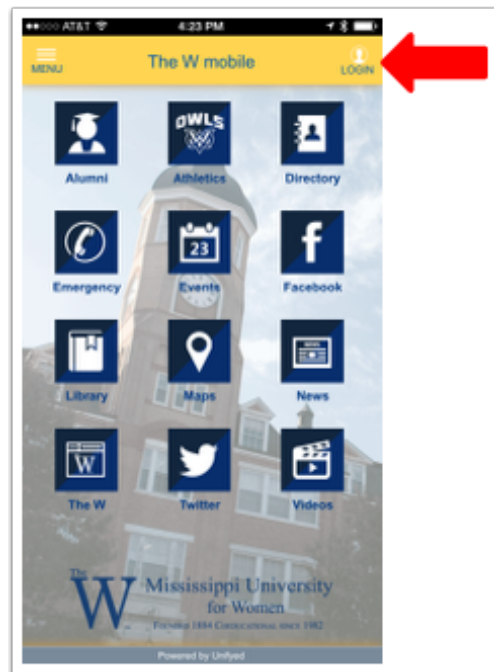

You may also search the Apple Store for "Kryptos W Mobile" if for some reason the above hyperlink does not work.

W Mobile App Installation and Usage Guide

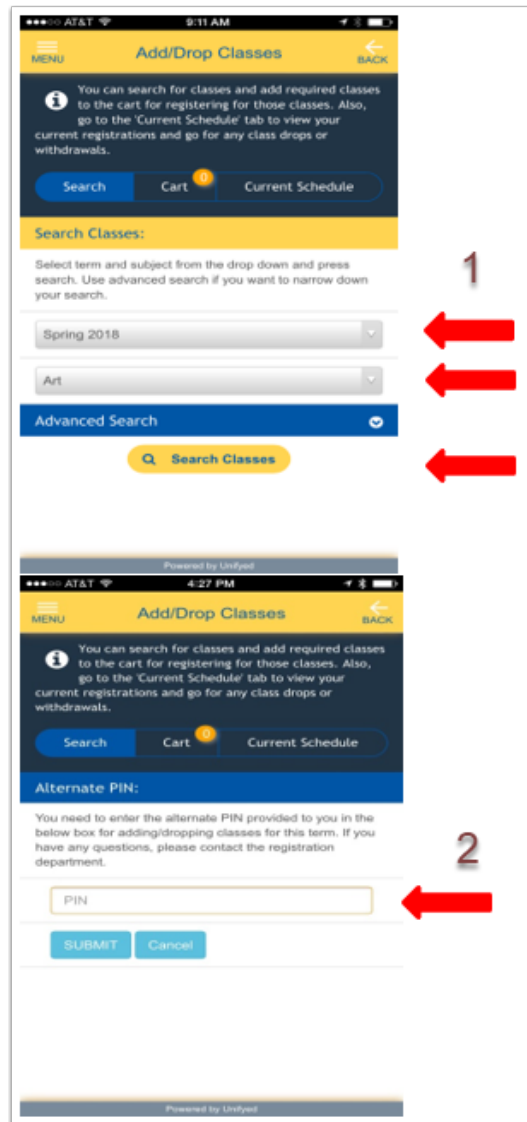

Login to the W Mobile App

Click the Login button at the top right of the mobile app and login with your Netid and password. This is the same username and password used for the portal.

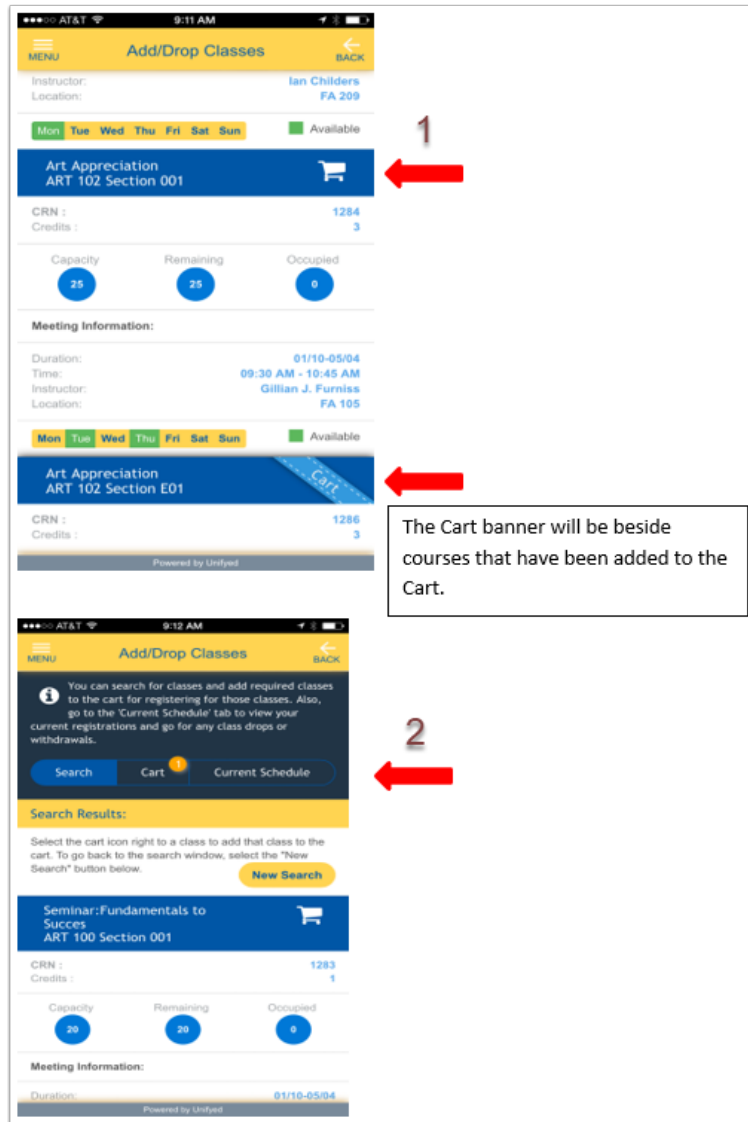

Searching for Classes to Add or Drop with the W Mobile App

1. After clicking the Add/Drop Classes icon, enter the term and subject area of the class to be added then click "Search Classes".
2. Next, enter your PIN/RAP number for the term you selected.

Adding Classes with the W Mobile App

1. Click the Cart Icon on the blue banner to add the class to your cart for registration.
2. After selecting the courses to be added, select the Cart.

Finalizing Your Classes and Viewing Your Schedule

1. If the courses listed are correct, click the Register Classes button. If you have any classes that should not be in the cart, please delete them.
2. To view the classes you just registered in, you can click the "Current Schedule" button.

W Mobile Support

If you have any questions or concerns about the W Mobile App you may contact ITS Support at (662) 329-7282.
